The Whalesong Festival Markets will be back for 2026 and we look forward to having you onboard as a stall holder or food vendor.

This year the Whalesong Markets will be held indoors at the new Augusta Volunteer Marine Rescue Building, located at the Augusta Boat Harbour. By being indoors it means stall holders are protected from any possible inclement weather that could occur at this time of year when it can be at its most unpredictable.

- **Sites:** Sites are limited and will be allocated at the discretion of the Co-ordinator however all efforts will be made to ensure your requests are accommodated.
- **All Stallholders:** We are focused on reducing waste and plastics and request that there be no single use plastics or plastic bags used at our 2026 festival. However, bins will be on site as follows:
 - Containers for Change plastic bins will be on site to collect recyclable materials.
